A Sub-Judge's Court at Hassan.

Summary of discussion.—The Sub-Judge's Court at Hassan was abolished in 1882 along with the District. Since then, the Munsiff's Court is the only Court available. Parties have now to go to Mysore to file suits for sums above Rs. 1,000 and for appeals against decrees of the Munsiff. This causes much inconvenience to the people. A Sub-Judge's Court should be opened at Hassan.
